

I am a good friend

Ask an adult if they have an old roll of wallpaper, or a huge piece of paper.

Lie down on this paper and ask the adult to draw around you.

Draw, paint or decorate this image of a friend anyway you want.

Finally think really hard about what makes you a good friend, and write your thoughts around your drawing.

Please remember!

**Send copies of your art work to Robbie or Laura
so that it can be shared with others.**
