CHRISTIAN AID WEEK – 15th – 22nd MAY, 2022

Help turn hunger into hope!

In Zimbabwe, and many other countries throughout the world the climate crisis is causing aching hunger for families. The combined effects of the Covid-19 pandemic, conflict, and drought have robbed many parents of the power to provide for their children. The war in Ukraine will drive up food prices even further around the globe. Without the fertiliser and food - like wheat and cooking oil - that Ukraine and Russia produce, vulnerable families will be pushed even deeper into hunger.

But hope does not disappoint. Hope lives in you.

Your gifts this Christian Aid Week could help families set up water taps on their farm, learn to grow food, and provide seeds that thrive in drought – giving them all they need to turn their dry, dusty land into a garden of hope.

Join us this Christian Aid Week, and help turn hunger into hope.
